

Senior Infants Term 3 Week 4

11th to 15th of May 2020

Dear Parents,

I hope that you and your family are keeping well and healthy.

As you have heard, unfortunately we will not be returning to school this term. I miss all the girls but most importantly, I hope that you are all healthy and safe. For those of you I haven't heard from, I would love to hear how the school work is going and if there is anything that I can do to support you with the school work. My email address is msomahonyseniorinfants@gmail.com

- As the girls are missing their friends, some parents have asked for more pictures to be displayed on the website. If you are happy for any pictures of your daughter doing her work/fun activities/exercise to be put on the website let me know. **Importantly**, we don't put photos of individual children on the website so another family member/s will have to be in the picture with them.
- If you are happy for me to display some of your daughter's work/art on the class blog let me know when you are sending the work to me. I would love to show off some of the great work I have seen!
- Answers to Busy at Maths p.107 & Master Your Maths Test 20, 21, 22 will be posted on Friday the 15th of May on the school website.

Here is work for this coming week:

11th to 15th of May 2020

Maths

- **Master Your Maths** Hurrah! We have finished all the 'Weeks' in this book. The girls might be on different 'Tests' at the back of the book. You can do the **next 3 tests**, most girls should be on around Test 20. I will post the answers to Test 20, 21 & 22 (p 85, p.86, p. 87) on Friday the 15th of May.

English

- **Shared Reading:** Please continue to access **Oxford Owls for shared reading**. <https://www.oxfordowl.co.uk/>

- A lovely book to read together
<https://en.calameo.com/read/000777721945cfe5bb9cc?authid=Xu9pcOzU3TQx>
- **Class Reader:** If you can easily access a computer you can register with Folens and access the class reader (**Starlight programme** Core Reader 4: **Unit 14 Let's Eat Outside**. We generally do a **Unit per fortnight**. There are also flash cards, and other resources that you can use depending on how much time and internet access you have. But the word list and text of the story are below so if you can't access Folens don't worry. For further information of how to register see below.
- **Writing:** Skills Book p.55 & p. 56
- **Handwriting:** Next **3 pages** of the **Mrs. Murphy's handwriting** copy also.
- Read over the **sound cards** and ask your child to **tell** you some words or **write a list** with a sound. This week focus on **ee or** sounds. These words can also be put into sentences.
- Revise over Tricky Words please read over the Jolly Phonics Word list **Green List**- go down as far as 'have'. On an attachment with last week's work.

PE

Getting exercise is so important for our physical and mental wellbeing always but especially at the moment. Please ensure your child gets moving every day. Here are some suggestions:

- Cosmic Kids yoga: <https://www.youtube.com/user/CosmicKidsYoga>
- Joe Wicks: <https://www.youtube.com/user/thebodycoach1>
- www.gonoodle.com (another great resource to get moving!)

Irish

Extra Optional suggestions:

Here are some other suggestions of things you can do, but **only** if you have time and would like **more** than what is allocated above:

- **Art:** It is summer! You could draw or paint or create a summer art.

- **Learning about sea creatures:** This is my friend Mairead, she's great fun and she knows LOADS about sea creatures. I learned a lot from watching this! Who knew limpets were so cool! Your daughter might need help if you do the writing but it's worth have a look and listen even if you don't do the writing: <https://www.youtube.com/watch?v=QuSKcSpwiro&t=365s>
- **Religion:** Grow In Love The next 2 pages
- Any other activities from **Unit 14 of the Starlight** programme. There are some oral language lessons, big books, stories, flashcards, games and activities. Also feel free to use any other resources from unit 14 and again I generally spend 2 weeks on a Unit.
- Keep a **diary**, write a piece of news.
- I am attaching some dot to dot colouring sheets if you have a printer and would like to do some of them.

Stay Safe,

Kind Regards,

Ms O'Mahony

Reading Unit 14: Core Reader 4

Let's Eat Outside

It was a sunny Sunday evening.

Jack and I were out in the garden.

'Do you want to eat outside?' asked Mum.

'That sounds like fun!' I cried.

We can use our garden grill!

Mum went to the shop to get some food.

Jack and I made some salad.

Then we set the garden table.

Soon, Mum came back.

She had some burgers and some chicken wings.

'The table is set,' I said.

'Thanks,' said Mum.

I will grill the food then.

'Wings or a burger?' asked Mum.

'A burger for me, please,' I said.

'I will have wings, please,' said Jack.

Mum put some food on the hot grill.

Just then, I felt a big wet drop.

'It feels like rain,' I said.

Suddenly it began to pour with rain.

The grill went out. The food was all wet.

'Oh dear,' said Mum. 'Maybe we should order some pizza!'
