

June 22nd -25th 2020 - 3rd class

As this is the final week in the school year, we will focus on being Active for an Active Week. I want to thank you all for the work you have done since the school closed in March. I know it has not been easy at times. I hope you all have a great summer and look forward to seeing you when school returns in Aug/Sep. Keep up the handwashing over the summer months.

Also don't forget about Water Safety:

Top Tips:

-  Children must be supervised by parents at all times at the beach
-  Ideally one adult should be able to swim
-  Empty paddling pools when not in use
-  Toys and inflatables should not be used in the sea
-  Only swim in the sea when safe and where the flags say it's safe (Red and Yellow)
-  Always swim with others, never alone
-  Always wear a lifejacket when on a boat

You will find a list of activities for Active Week in the document attached ('Let's get active ideas'). Feel free to pick and choose as you like. As always, send some pictures by email if you would like to show us some of the activities you did.

I am also attaching a few sheets that you could complete(optional)

- 1) Design a Medal
- 2) Scavenger Hunt
- 3) Yoga pose cards
- 4) Poster Poses
- 5) Timed Agility Challenge(link to you tube video/ supervision required for 'you tube')

It is unfortunate the year ended before time and also that we didn't get to perform our play 'Frozen'. I really enjoyed all the practices and you were a brilliant group of little actors.

Ms. Kealy

Have a great Summer!
