

## **Alternative Reading 2<sup>nd</sup> of June**

This reading is a little easier than the class reader if your daughter is finding the class reading tricky. Please feel free to do this reading instead of the class reader if it is too difficult. You could read the class reader to your daughter instead. Here is the work:

- A 'repeated word list' that helps with fluency of words. Find attached.
- Alternative reading sheet 'the'
- Alternative reading sheet 'of'
- Please access **Oxford Owls for shared reading**.  
<https://www.oxfordowl.co.uk/> You create your own account. Search for the book '**Quiz**'. This can be the book for reading for this week.

Kind regards,

Ms O'Mahony
