Covid-19 Policy Statement

Presentation Primary School is committed to providing a safe and healthy workplace for all our staff and a safe learning environment for all our pupils. To ensure that, we have developed the following COVID-19 Response Plan. The BOM and all school staff are responsible for the implementation of this plan and a combined effort will help contain the spread of the virus. We will

- Continue to monitor our COVID-19 response and amend this plan in consultation with our staff
- Provide up to date information to our staff and pupils on Public Health advice issued by the HSE and Gov.ie
- Display information on the signs and symptoms of COVID-19 and correct handwashing techniques
- Agree with staff, a worker and deputy worker representative who are easily identifiable to carry out the role identified in this plan
- Inform all staff and pupils of essential hygiene and respiratory etiquette and physical distancing requirements
- Adapt the school to facilitate physical distancing as appropriate in line with the guidance and direction of the Department of Education
- Implement the agreed procedures to be followed in the event of someone showing symptoms of COVID-19 during school time
- Implement cleaning in line with the Department of Education advice

All school staff will be consulted on an ongoing basis and feedback is encouraged on any concerns, issues or suggestions.

This can be done through the Lead and Deputy Worker Representatives, who will be supported in line with the agreement between the Department and education partners.
